

Happy
birthday

to my best friend,
amazing

Wife

Thank you
for being
the one person
I want to share
everything with.

Thank you for the laughs
and for all of the
Memories
that make me smile.

Thank you for
Knowing me
better than I know myself.

Thank you for celebrating
all the good stuff
in life with me
and for holding on tight
when things get tough.

Thank you for being you...
and for loving me
the amazing way you do.

Happy
birthday

All My Love
