Dear Sam:

Please accept my sincere congratulations on your 40 years of service with the Cherry-Burrell Corporation and its predecessor companies. It is quite a feat for anyone to work 40 years for one company - one that doesn't happen very much in this modern day and age.

Your long and valuable service is certainly appreciated by me and the other officers of the Company since the time that we have had occasion to work with you and I am sure the same applied for our predecessors. It's a record of which you can truly be proud.

Very truly yours,

CHERRY-BURRELL CORPORATION

PRESIDENT

Dear Sam:

On March 1 you will have completed 40 years of service with Cherry-Burrell Corporation and its predecessor company. It is therefore a real pleasure for me to be able to write to you and express my congratulations and thanks for these many years of fine service in behalf of our company.

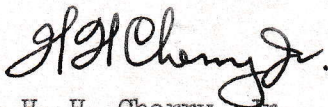

You certainly have conducted a good and profitable operation for our company over the years and I trust now that you are approaching retirement in little over a year's time that the arrangements made with you for your retirement are satisfactory in every way.

It isn't too often that I have an opportunity to extend congratulations for 40 years of service and I want to assure you that I consider it a real accomplishment.

During your remaining time with Cherry-Burrell Corporation you can render invaluable service to us by passing on to your successor advice and patterns which you have found to be successful in order to insure the continuity of the Philadelphia operation, as well as to assist it in increasing its sales results.

In closing, let me wish you the best of luck in your operations for the 1959 year and I am sure I am expressing the sentiments of many of your pupils when I extend hearty congratulations on your important fortieth anniversary with our company.

Sincerely,

H. H. Cherry, Jr.  
President
