Dear Sam:

The Board of Directors has accepted with very much regret your resignation from membership in the Club. Let me, at this time, thank you for the loyal support you have always given to Rotary, and I assure you that you will be missed.

Don't hesitate to drop in at any time at our Rotary luncheons-- we will be delighted to see you.

Incidentally, your resignation was dated August 10. The Board recently adopted a policy that since we pro-rate dues of new members elected between dues dates (July 1 and January 1) we should also pro-rate dues of those who resign between July 1 and January 1.

The Board believes this to be fair. Your resignation was dated in August so, if you agree, will you send us a check for \$14, for two months, which will relieve you of paying for the entire half year period and, of course, enable you to resign in good standing, which I am sure you prefer to do.

Kind personal regards.

Rotarily yours,

Frank Honicker
Secretary
