

*LORI*

Hi mom. I'm trying to get everything done before I leave tomorrow; so here is the Aunt Edith tree. And, a couple suggestions for Julia's birthday. (I assume we'll celebrate on our ski weekend).

Jack Collins

Michelle (42) - Brianna (9)

Paula (40)

Tracy (35) - Shannon(13),Jimmy(11),Brydie(7)

Robin (38) - Ryan (17)

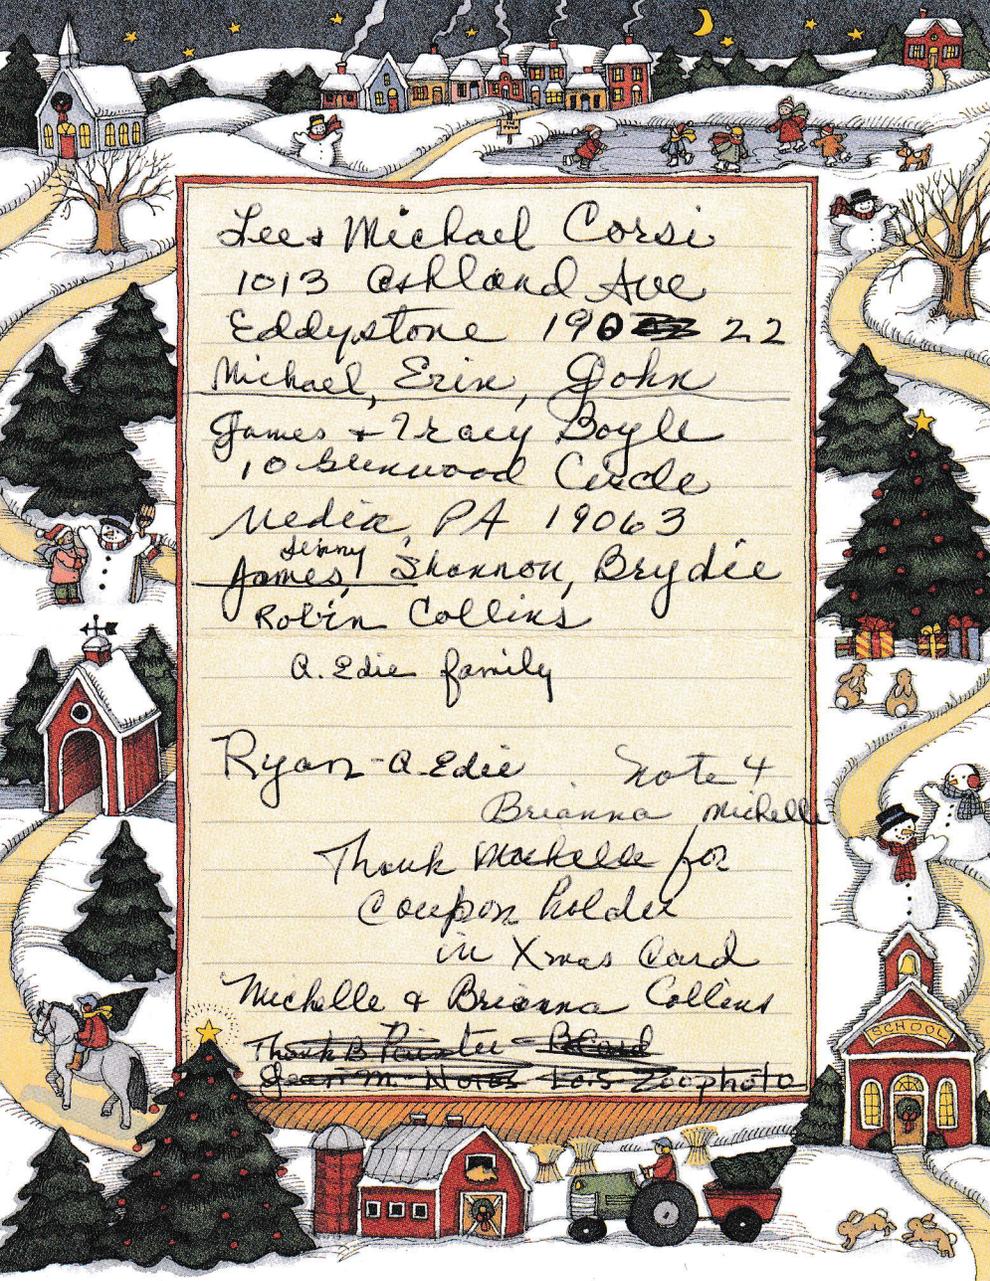

Leigh Ann (33) - Michael(13),John(11),Erin(10),Trevor(7)

The first two are from the first wife, second three from second wife.

~~For Julia: speakers for an MP3 player. These are available at Circuit City or Best Buy, and they plug into the headset part of the MP3 player. Also, she wants flannel pants. I googled them and it looks like maybe JCPenney has some she might like. She would also enjoy a good book, or a journal to write in.~~

See you when I return.
